

FREDERICK DOUGLASS CENTER.

3032 Wabash Avenue.

Sunday afternoon, November 23, at 4 p. m. Mr. Bowling, head of the educational section of the Y. M. C. A., will speak on "Am I My Brother's Keeper?" Several musical numbers will follow. Mrs. Chas. Lewis will preside and we know what is in store for us. Mrs. C. P. Woolley spent Tuesday in Oak Park speaking to a prominent Woman's Club. There is much interest in the girls' domestic science classes each Saturday morning at 10 a. m., as they are making gifts for the Christmas holidays.

Mr. L. L. Stone, of the Y. M. C. A. has organized our boys into a Unity Club, meeting in sections, that instruction may be given in physical culture, music, stories, practical talks and visiting other institutions. Mr. Stone comes to us highly recommended and we are already reaping the reward of trained service. The Center Woman's Club sent 50 ready made garments to the School Children's Aid Society during the week, thus cooperating with the organization which keeps two thousand children in school every year. It is much appreciated by the society.
