

DR. J. EDNESTONE BARNES DISCUSSES PROBLEM OF WEST AFRICA.

**Noted Thinker Addressed Men at
Frederick Douglass Center Tuesday
Evening—George W. Ellis Presides.**

Dr. J. Edmestone Barnes, a distinguished thinker and educator, who has been in the city the guest of Dr. H. Callis, spoke to a number of men Tuesday evening at Frederick Douglass Center, at 8 p. m. He was introduced by Hon. George W. Ellis, former Secretary to the American Legation to Liberia. Dr. Barnes told of the wonderful opportunities in Liberia for young men, that a great future was stored there for them. Dr. Barnes has a map which he has copyrighted and proves according to his reasoning, the earth is flat.
