FREDERICK DOUGLASS CENTER.

Sunday, May 9, at 4 p. m., Mrs. Virginia Brooks Washburn will speak on "Present Aspects of the Woman Movement." It will be remembered that Mrs. Washburn was the conspicuous figure in the West Hammond political reforms a few years ago and author of "Little Lost Sister." Miss Nelson will give vocal numbers and Mr. Theodore Taylor piano music. The principal of Keith school visited the Center Woman's Club Tuesday to seek co-operation from its members in the serving of penny lunches to the pupils, a newly attained benefit, as the dietitian provided by the Board of Education is handicapped at the noon hour, so many responding. Other clubs are sought to assist as Keith is one of the few to receive this provision. The Center members responded to serve the second week in May with the hope that others will follow.
