HISTORY MAKING **V**ICTORY EDITION

Victory Through National Unity!

That's the stirring theme of the historic 100-page Victory Edition of the Chicago Defender coming soon.

And from every distant corner of the globe — from the far-flung battle fronts, from London, Moscow and Chungking, citadels of world democracy, from our nation's capital reflecting the pulsebeat

of our land — are coming significant manuscripts for this special issue of the World's Greatest Weekly.

Today the all-important job of welding racial unity in America and the world is recognized by all. This graphic Victory Edition will be a historic contribution towards that goal. It will be read by thousands of white and black Americans in the forefront of the battle against fascism.

Here is the all-star line-up of contributors to date for this occasion:
